

AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings of claims in the application:

Listing of Claims

Claim 1 (Currently Amended): A hard coat film comprising a silicone-based hard coat layer provided on one side of a multi-layered base having a total thickness of 350 μm or less and consisting of a plurality of the same first resin film and ~~optionally~~ one or more of a second different resin film laminated, wherein ~~one of~~ the first resin film contains a weather-resistant film comprising resins selected from the group consisting of styrene-based resins, polycarbonate resins, and combinations thereof, and the second resin film contains a weather-resistant film comprising resins selected from the group consisting of styrene-based resins, polycarbonate resins, and combinations thereof, and ~~the other~~ one of the first resin film and the second resin film ~~comprising~~ comprises an impact-resistant film having a Charpy impact strength of at least 10 kg-cm/cm², wherein the hard coat film is applied to the external surfaces of window panes or plastic boards for windows.

Claims 2 – 4 (Cancelled)

Claim 5 (Previously Presented): The hard coat film according to claim 1, wherein said silicone-based hard coat layer is provided on said weather-resistant resin film of the multi-layered base.

Claims 6 – 7 (Cancelled)

Appl. No. 09/894,371
Amdt. dated February 19, 2004
Reply to Office Action dated November 19, 2003
Attorney Docket No. 1217-010927

Claim 8 (Previously Presented): The hard coat film according to claim 1, wherein said weather-resistant resin film containing an ultraviolet absorber is of polycarbonate containing an ultraviolet absorber.

Claim 9 (Previously Presented): The hard coat film according to claim 1, wherein a releasing sheet is provided via an adhesive layer on a side made of said multi-layered base opposite to a side provided with said silicone-based hard coat layer.

Claim 10 (Cancelled)

Claim 11 (Previously Presented): The hard coat film according to claim 5, wherein said weather-resistant resin film contains an ultraviolet absorber.

Claim 12 (Previously Presented): The hard coat film according to claim 5, wherein said weather-resistant resin film is made of polycarbonate.

Claims 13 - 15 (Cancelled)

Claim 16 (Previously Presented): The hard coat film according to claim 5, wherein a releasing sheet is provided via an adhesive layer on a side made of said multi-layered base opposite to a side provided with said silicone-based hard coat layer.

Claims 17 - 18 (Cancelled)

Claim 19 (Previously Presented): The hard coat film according to claim 8, wherein a releasing sheet is provided via an adhesive layer on a side made of said multi-layered base opposite to a side provided with said silicone-based hard coat layer.

Claim 20 (Previously Presented): The hard coat film according to claim 9, wherein a releasing sheet is provided via an adhesive layer on a side made of said multi-layered base opposite to a side provided with said silicone-based hard coat layer.

Claims 21 - 28 (Cancelled)

Appl. No. 09/894,371

Amdt. dated February 19, 2004

Reply to Office Action dated November 19, 2003

Attorney Docket No. 1217-010927

Claim 29 (Previously Presented): The hard coat film according to claim 1 for protecting window panes of vehicles running at a high speed.
